

NSD9021 20/22° Plastic Strip Ballistic NailScrew® Driver

Drives round head NailScrews® or nails from 2 inches (50 mm) to 3½ inches (90 mm) in length. It has a die cast aluminum body that provides more power to easily drive NailScrews® into composite decking and other standard composite lumber, as well as wood. The comfort grip rubber handle provides improved control and comfort, even during extended use. It features a 360 degree exhaust port that can be adjusted to any direction. It has economical air consumption with a very low noise level, making it ideal for installing NailScrews® even in cold weather.

Includes: Case, Hose Fitting, Safety Glasses, Allen Wrenches, & Oil
